### **Opening Comments**

Routine Inspection.

Onsite with Tad and PHI Student Robin.

Play yard has an area of protective surfacing. A few slides and wooden climbing structure with a fall height of greater than 45 cm were placed in this area.  
 Expanded play area. Fence is fully enclosed.  
 Proposed plans for playground expansion to include more protective surfacing and play equipment. AHS has reviewed plans and pending approval.

### **Compliance Record**

### **Closing Comments**

Note:

- 1) Highly recommend to install additional bollards on the far east entrance of the play yard.
- 2) Please provide additional information for the rocking toy.
- 3) Helmets are recommended for children playing with tricycles or bikes however, proper cleaning and disinfecting must occur between use.
