Dear NIKOLAS CAVALHEIRO ZETOUNI:

RE: Approval for Early Childhood Educator Certification - Level 1 Early Childhood Educator

Thank you for submitting an application for certification as an Early Childhood Educator in Alberta. We are pleased to advise you that under the Early Learning and Child Care Regulation, you have been issued a Level 1 Early Childhood Educator certificate (#1161942). You are required to provide a photocopy of your certificate to your employer as proof of your certification.

If you have reviewed the Early Childhood Educator Certification Guide, and have additional documentation that meets the requirements for a higher level certification, you may request a reassessment. Please complete the Request for Reassessment Form located online at <https://www.alberta.ca/child-care-staff-certification.aspx>.

As a certified Early Childhood Educator, you are responsible for adhering to the Conduct Requirements, which are located online at <https://www.alberta.ca/child-care-staff-certification.aspx>.

Congratulations on your certification as a Level 1 Early Childhood Educator.

Sincerely,

Leslie Hodgins
